

week 2

# español AT HOME

## A message from your teacher!

Hola amigos! I hope you enjoyed the activities last week and were able to practice a lot of your Spanish! Let's apply what you learned last week with some games this week! Have fun and enjoy!

– Señora Mortimer

## 1st grade

Numbers Google Slides Presentation!  
Click on the link:)  
Listen and repeat the numbers.

<https://tinyurl.com/tel87kr>

Pop the Bubbles and count in Spanish!  
Click on the link:)

[https://pbskids.org/curiousgeorge/busyday/span\\_bubbles/](https://pbskids.org/curiousgeorge/busyday/span_bubbles/)

Say a number in Spanish while creating/tracing the number in Play Doh, sand, or a ziploc bag with some rice/flour!  
OUTSIDE OPTION: Trace the number words into the ground with a stick or write them out with chalk! Can you jump on the numbers and say it in Spanish?

## 2nd and 3rd grade

Go through the nearpod lesson and test your smarts! Use the code below on the nearpod app or the link: [join.nearpod.com](https://join.nearpod.com)

**CODE: HQROI**

Exercise tic-tac-toe! Make a tic-tac-toe board and write a number in each spot. When you mark your space, you have to choose an exercise below and do however many your spot says! If you mark a spot that says 10, you have to do ten of the exercise you choose! Count in Spanish as you work out!  
Push up / Sit up / Squat / Jump Rope / Lunges

Play jeopardy by yourself or with a family member! Level up by trying the bonus section and 40-100!

## 4th and 5th grade

Have fun trying out the games in this nearpod! Go through the lesson and test your smarts! Use the codes below on the nearpod app or the link: [join.nearpod.com](https://join.nearpod.com)

**CODE: PRQHY**

**CODE: XMCTN**

Play tic-tac-toe with a family member or by yourself! Draw a tic-tac-toe board and draw/write one Spanish vocab word in each space. Say the word before you put an item (or X and O) on top of your space. Level up by making it into a sentence!

Play jeopardy by yourself or with a family member! Level up by trying to write your answers out!
